

U.S. Grain Marketing Research Laboratory Cooperators

Biology Research Unit
William H. McGaughey
Richard W. Beeman
Karl J. Kramer
Roy D. Speirs
Charles L. Storey

NOTICE TO PARTICIPANTS

Most manuscripts were in the requested format and were reproduced here as received. Others required "cutting and pasting" to conserve space. Some required retyping, in some cases to conform to the single-spacing requirement. These were carefully proofread, but errors may exist; if so, it is regretted.

Separates will not be available. Authors may copy their papers for distribution.

Copies of the Proceedings may be obtained from:

Conference Office
Kansas State University
1623 Anderson Avenue
Manhattan, Kansas 66502 USA

Copies of Proceedings of the First Conference at Savannah (\$7.50) and the Second Conference at Ibadan (\$10.00) can be obtained from:

Dr. Valerie F. Wright, Sec-Treas.
Permanent Committee
Department of Entomology
Kansas State University
Manhattan, Kansas 66506 USA
