Proceedings of the 7th International Working Conference on Stored-product Protection — Volume 1

7th International Working Conference on Stored-product Protection Organising Committee

Chairman:
Prof Jin Zuxun
President, Nanjing University of Economics

Vice-chairman:
Prof Li Lungshu
Southwest Agricultural University

Mr Liang Quan
Senior engineer, Guangdong Institute for Cereal Science Research

Mr Yang Haoran
Research Fellow, Chengdu Grain Storage Research Institute, State Administration of Grain Reserves

Mr Yao Wenguo
Deputy director, Administration of Animals and Plants Quarantine, P R C

Secretary General:
Mr Liang Yongsheng
Senior Engineer, Director of Chengdu Grain Storage Research Institute, State Administration of Grain Reserves

Deputy Secretary General:
Mr Wu Zidan
Deputy director, Department of Storage and Transportation, State Administration of Grain Reserves

Mr Xu Hongsheng
Vice-director, Chengdu Grain Storage Research Institute, State Administration of Grain Reserves

Members:
Mr Wang Jiajeng
Director, International Relations Division, Department of International Cooperation, former Ministry of Internal Trade

Mr Ye Mingda
Deputy Secretary-general, Chinese Cereals and Oils Association

Prof Li Qinglong
Wuhan Food Industry College

Prof Jiang Yonggu
Zhengzhou Grain College

Mr Yuan Yufen
Senior Engineer, President, Zhengzhou Grain Science Research and Design Institute

Session and Workshop Conveners

Sessions

Biology and Ecology of Insects and Mites

Prof Li Lungshu — Dr Don Griffiths

Dr Zofia Kozakiewicz-Lawrence —

Dr Nachman Paster

Mr Peter Anns — Dr Shlomo Navarro

Grain Protectants Including Insert Dusts, Resistance and Residues

Dr Mervyn Bengaron — Dr Franklin Arthur

Dr George Sz jednicki — Prof Cao Chongwen

Physicall Methods for Grain Quality Maintenance Including Aeration, Drying and Temperature Manipulation of Commodities

Dr Richard Arbogast — Mr David Rees

Dr Noel White — Ms Qu Wenfen

Dr Jane Wright — Dr Bh Subramaniam

Mr Chris Newman — Mr Yuan Yufeng

Dr Greg Johnson — Mr Akinori Noguchi

Dr Patric Ducom — Mr Yao Wenguo

Mr Barry Longstaff — Dr Robyn Wilkin

Controlled Atmosphere and Fumigation Including Resistance and Residues

Biological Control of Storage Pests

Postharvest Technological Management

Sampling and Trapping

Storage Engineering

Stored Product Quality and Standards

Quarantine and Quarantine Treatments

Information Transfer and Adoption
Workshops

Future of Fumigation Technology and Controlled Atmospheres
Development and Application of Diatomaceous Earths
What Went Wrong? Common Errors in Stored-product Research
Technology Transfer and Adoption
Application of Computers in Stored-product Protection

Extra Workshop

Intransit Fumigation (Organized by the International Maritime Fumigation Organisation, mainly for Chinese participants of the Conference)

Dr Jonathan Banks – Elh Shaaya
Dr Paul Fields – Dr Bh Subramanyam
Dr Paul Fields – Dr David Arrutage
Dr Peter Golob – Mr Li Guangcan
Dr Robert Driscoll – Dr Niu Xinghe

Mr Chris Watson
